Hi Jonathan and Nathan,

Just wanted to check in and see if you had any information about when we might begin receiving documents requested in the first request (EPA-HQ-2018-005636).

On the newer request (EPA-HQ-2018-007397), I was in contact with Nathan last week about combining the two and closing out the newer one. Do you have any updates about those records or that process?

Finally, I was wondering if you knew whether there were other FOIA requests pending on this subject matter. It would be great to get their tracking numbers, if possible.

Thanks so much,
Surbhi
